Re: N02-49-1-1 Extension Request, West Ridge Mine, C007/041

Dear Sirs:

WEST RIDGE Resources, Inc. is requesting an extension of the abatement date of violation N02-49-1-1. The information submitted to the Division previously needs clarification. An abatement date of April 24, 2002 should allow the clarification and a meeting with the Division. This should allow resolution before the May 1, 2002 appeal date.

Thank you for your consideration and please call if you have any questions.

Sincerely,

Michael W. Glasson
Environmental Coordinator
